

WISHES START WITH GOALS!

DIRECTIONS: Wishes can come true, but - to help them become a reality - it's important to start with goals. In the Broadway Musical, the character Aladdin was granted three wishes by the Genie, but he had to think about how to use them carefully. Follow the instructions below and think about how you can make a real-life wish come true by setting goals. Get creative and design a lamp that reflects your goals!

In *Aladdin* on Broadway, Genie grants three magical wishes.

What is one real wish or goal you have in your life?

What are three steps you can take to achieve this goal?

1. _____

2. _____

3. _____

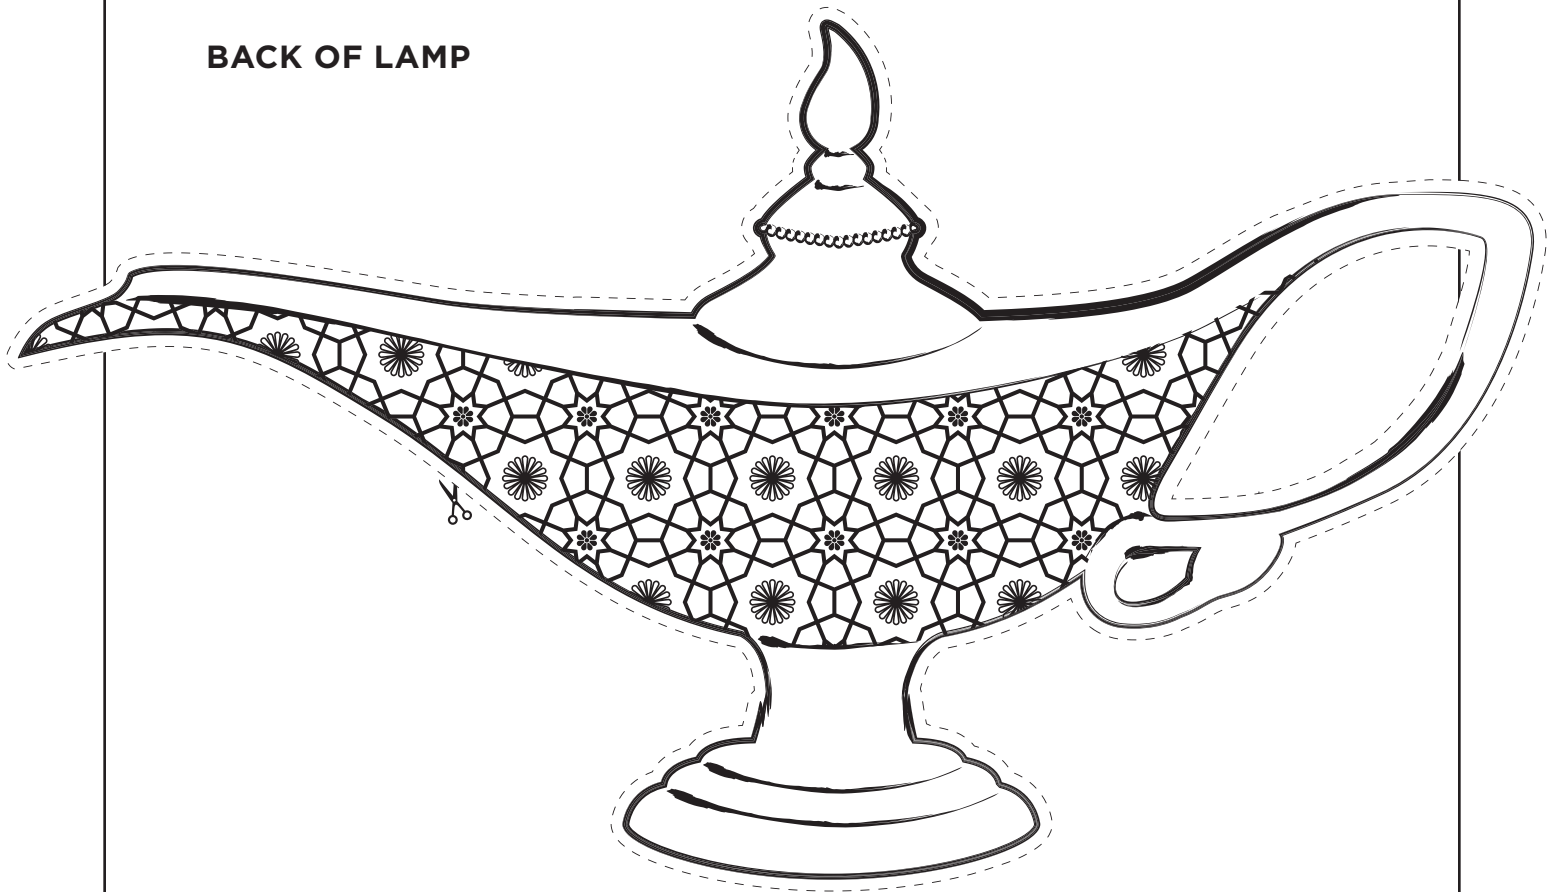

Disney *Aladdin*
THE HIT BROADWAY MUSICAL
